Subject: SEA Scoping Report consultation: Plaistow and Ifold Parish - Neighbourhood Plan - Comments from the Environment Agency

Dear Nick

Thank you for sending through a copy of the draft SEA Scoping Report for Plaistow and Ifold Neighbourhood Plan.

The Environment Agency is a statutory consultee for Strategic Environmental Assessments and provides advice to Local Planning Authorities on the scope and findings of the SEA.

We recommend an objective is included to protect and enhance the environment. Indicators should relate to the environmental constraints in the local area. This may include flood risk, water quality and Management Plan.

Please refer to the Neighbourhood Plan Checklist (attached) for the area for more details.

Best Wishes

Marguerite

Subject: SEA Scoping Report consultation: Plaistow and Ifold Parish - Neighbourhood Plan

Dear the Environment Agency,

Plaistow and Ifold Neighbourhood Plan Steering Group is currently preparing a Neighbourhood Development Plan for Plaistow and Ifold Parish in West Sussex.

To accompany the development of the Neighbourhood Plan a Strategic Environmental Assessment is currently being undertaken to inform and influence the plan-making process.

A Scoping Report has now been prepared for the SEA.

On this basis, please find attached the Scoping Report for your comment. The consultation period will begin today (5th June 2017) and ends Friday 10th July 2017. This incorporates the statutory first consultation period.

We look forward to the Environment Agency's comments. In the meantime, if you have any questions on the SEA process currently being carried out for the Plaistow and Ifold Parish Neighbourhood Plan, please contact me.

Best regards,

Nick Chisholm-Batten
